**Camp America** is a program of the American Institute For Foreign Study (AIFS). Sir Cyril Taylor founded AIFS in 1964, and we are now a world leader in cultural exchange and educational travel. In addition to providing quality international camp staff, AIFS offers university study abroad programs, Academic Year in America, Au Pair in America, Summer Institute for the Gifted, and Australia work programs, among many others.

The son of missionary parents, Sir Cyril is eager to give back to the Christian community by helping provide quality international camp staff particularly suited to the Salvation Army. He also brings with him firm relationships in England. Through Sir Cyril, we are well poised to generate a wide variety of skilled Christian applicants for Salvation Army camps. Learn more about our founder and chairman at [www.cyriltaylor.com](http://www.cyriltaylor.com)

## Partnership Overview

Camp America has been a leader in international camp staff since its founding in 1969. Given the quality cultural exchange experiences and spiritual growth that Salvation Army camps give our applicants, we extend the following elements of exclusive partnership.

### **Camp America pledges to:**

- ✓ Provide an exclusive forum for Salvation Army camps to conduct in-depth personal interviews to ensure suitable matches with quality international staff.
- ✓ Devise a highly competitive financial package for international Salvationists who apply directly through the existing channels of the Salvation Army.
- ✓ Deliver the same benefits, infrastructure, program support, logistical expertise, personal relationships and dependable service that have made us an industry leader for over forty years.

## Mission & Purpose

We want to strengthen our relationship with your territory through these special initiatives, and to provide you with quality staff with requisite leadership skills and a special insight into your ministry.

## The Salvation Army Vision

Motivated by the love of God, as a leader in Christian faith-based human services, The Salvation Army is committed to serving the whole person, body, mind and spirit, with integrity and respect, using creative solutions to positively transform lives.

## Camp Directors' Fair Participation

The Salvation Army International Staffing Event will be held prior to our traditional Camp Directors' Fair. We encourage you to stay on for the entire Fair and interview additional applicants and specialists. You will also stay with the Camp America staff and meet camp directors from other summer camp segments who are along for the event.

## The Salvation Army Mission Statement

The Salvation Army, an international movement, is an evangelical part of the universal Christian church. Its message is based on the Bible. Its ministry is motivated by the love of God. Its mission is to preach the gospel of Jesus Christ and to meet human needs in His name without discrimination.

What better way to further the Salvation Army mission and expand boundaries than to:

- Transform the lives of young internationals and your campers?
- Offer cultural exchange opportunities and international faith-based service to America's youth?
- Meet counselor candidates who want to work in a Christian camp and understand your camp's philosophy and emphasis?
- Build character by participating in Christian leadership education?
- Transform lives by sharing and nurturing leadership skills in a human services setting?

## AIFS Vision, Mission & Values

**AIFS Vision:** WE BRING THE WORLD TOGETHER

**AIFS Mission:**

To provide the highest quality educational and cultural exchange programs to enrich the lives of young people throughout the world

**AIFS Values:**

- Excellence in programs, operations and people
- Respect and understanding of different cultures
- Exceptional caring support for our program participants to ensure their safety and well being
- Honest, equitable and non-discriminatory treatment of program participants, partners and employees
- Technological innovation
- Teamwork and collaboration both within the organization and with partners
- Encouragement of employee initiative and professional development
- Responsible financial stewardship

## Cost, Terms & Conditions

Would you believe the cost is just \$75 from New York, Boston, or Washington, D.C. This includes airfare, three nights' accommodation with breakfast, a welcome reception and the actual recruitment event. All we ask in return is that your representative is empowered to hire staff, and your professional assurance to hire our candidates in 2018. We are happy to arrange air travel from gateways other than New York at nominal surcharges, in which case ground transfer arrangements and costs are not included.

## Eligibility

Maybe you already participate in our program and have been to our overseas recruitment fairs. Perhaps you work with a different organization to secure your international staff. Or, it could be that you've never been able to fit international staff into your program. All Salvation Army camps are welcome to send a representative.

## Christian Leadership Candidates

Through our cooperative screening process each candidate will complete a questionnaire for entrance. Once selected, candidates will participate in an educational process that will address specific goals and objectives:

- Activities and program ideas consistent with your ministry
- Diversity and multiculturalism
- Empowering to make a difference in the world
- Community service and youth development
- Salvation Army tenets, philosophy, and spirituality
